ABOUT REFUGEES

- As of December 31, 2007, the United Nations estimates there are 67,000,000 refugees and internally displaced peoples worldwide
- One in every 200 people in the world has been uprooted by war.
- 50% of all refugees are female and 44% of all refugees are children under 18
- Over the past 10 years, Canada has resettled an average of 22,500 refugees each year.

ABOUT THE RIDE

The RIDE for Refugees is a cycling fundraiser event held on a Saturday in October each year in support of refugees and internally displaced peoples. This family-friendly event raises much-needed money and awareness for the refugee services of International Teams Canada, a Christian NGO established in Canada since 1966, as well as select church and community refugee partners. The RIDE for Refugees began in 2004 with 22 riders and a desire to make a difference in the lives of refugees abroad and those coming to Canada along the infamous refugee highway.
